Remarks: <p>Many thanks for routing the attached document to S/ED, which seem to have been generated by three of our requirements during the past year. However, the information concerns only licensed shipments by a U.S. firm to Free World countries with no indication that such shipments were not utilized in the country of destination. S/ED is concerned only with indications or evidence that boron and boron products are moving from the Free World to the Sino-Soviet Bloc.</p>
